

PCN – Non RoHS Compliant PDIP End Of Life

zilog

Zilog Authorized Distribution

July 24, 2009

Subject: Non RoHS Compliant PDIP Package End Of Life

Dear Valued Customer:

As you are aware, the semiconductor industry is trending towards more and more environmentally friendly manufacturing solutions. Because of this Zilog will not be able to provide non-RoHS compliant PDIP packages after Dec 31st 2009.

Effective immediately, all PDIP non-RoHS compliant products have transitioned into an End of Life and Last Time Buy status. Orders must be received by Zilog no later than 09/30/2009 for delivery no later than 12/31/2009. Orders are non-cancelable, non-returnable (NCNR) and cannot be rescheduled once the order is acknowledged. Refer to attached list for PDIP part numbers affected.

Thank you for your continued interest in Zilog products and services. Please contact Zilog Customer Service @ zservice@zilog.com for the RoHS compliant replacement part number and any other assistance.

Sincerely,

Alan Shaw
Director, Zilog Quality and Reliability

ZAC09-0036
